Attached you can find Sleepsalot's quest **King Sleepsalot's Revenge**.

Infos from the quest author:

King Sleepsalot's Revenge is not meant to be real hard at first. But should be played with two characters with one having a ranged weapon. Levels 1-4 Have some armor that is there to help the lower level characters so they don't have to worry about durability. For awhile. I hope you enjoy this Quest and will let me know if you find any problems that I may have missed. And a big Thank you to Skipper and Pligrim for all the help and great state machines without these Guys my Quest would not be possible.
